

SIRIUS 65W

Sirius 65W

Package content

Sirius 65W Universal Laptop Charger | 3A USB-C to USB-C cable 180 cm (6 ft) | User manual.

Product overview

Thank you for choosing Einova Sirius 65W Universal Laptop Charger, your lightweight, all-in-one power source for ultimate portability. Great for travelers and commuters. Sirius 65W is perfect for charging most mobile devices. Please read the user manual before using the product.

Instructions

1. Insert the included cable in the power adapter.
2. Open the folding prongs correctly and then plug the power adapter in the socket.
3. Insert the plug on the other side of the cable into the laptop's charge port or into the charge port of any compatible device you want to charge.

For non USB-C compatible devices, visit einova.com/store for additional compatible tips and cables.

Safety information

Please read this safety information carefully before using the product to prevent injury to yourself or others and damage to your device.

Please keep this manual for future reference.

Do not damage the charging cable. Doing so may cause electric shock or fire.

Keep the product away from hot surfaces and sharp corners.

Do not carry or drag the product by the cable.

Do not use the product if one or more of its components are damaged or faulty.

The product contains electronic parts. Keep your device dry. Humidity and liquids may damage the electronic circuits of the device and may cause electric shock and fire. Handle with care.

Handle the charger with care. Do not drop your device. It may get damaged or may malfunction.

Do not disassemble, modify, or repair your charger. Any alteration or modification of your device may void the manufacturer's warranty. If your device needs servicing, contact the manufacturer.

Do not modify the product in any way. Any modification may increase the risk of injury.

Do not bite or suck on the device. Doing so may damage the device or result in an explosion or fire.

Children may choke on small parts. If children use the device, make sure that they use it properly. Warning: choking hazard. Keep out of the reach of children.

If you notice strange smell or smoke coming from your device, stop using it immediately. Continuing to use the device may result in fire or explosion.

In the event of a cell leaking, do not allow the liquid to come into contact with the skin or eyes. If contact has been made, wash the affected area with water and seek medical advice.

Do not use the device for anything other than its intended use. The device may malfunction or may cause an electric shock or fire.

Do not leave a battery on prolonged charge when not in use.

Never dispose of the device in a fire.

Avoid exposing your device to very cold or very hot temperatures. Extreme temperatures may damage the charger and reduce the lifespan of the device.

Do not throw away the product with the household trash. The product needs to be recycled and disposed of responsibly.
